

30+ Hilarious Photos of People Caught Sleeping in Funny and Uncomfortable Positions

This article appeared in VibeForest and has been published here with permission.

A good sleep is rejuvenating. It makes us feel ready to take on anything. But, sometimes we spot people sleeping in such odd ways that it makes us scratch our heads in confusion. That’s why we’ve compiled a list of user-generated images internet users have shared, featuring people caught sleeping in funny and uncomfortable positions, and bring you completely arbitrary yet entertaining ratings. Let’s go!

Comedy Never Sleeps

There's something about reading, whether it's a book or a magazine, that just sends some people straight to sleep. That's what happened to this girl, but her discarded magazine ended up in the best position possible.

Comedy Never Sleeps

🔖

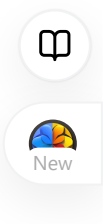

New

There's no way that her falling asleep with this magazine in the perfect place was a coincidence; it must have been planned to amuse anyone who saw her snoozing. It's genius, though, so it wins an 8/10 on the "Comedy never sleeps" scale.

A Soothing Gondola Ride

Going for a gondola ride is one of the most iconic things that you can do when visiting Venice, Italy. It's thought to be one of the most romantic experiences you can have as a tourist.

A Soothing Gondola Ride

It seems that this couple just paid for the ride to get some time off of their feet and take a nap for a bit, which makes for one expensive nap. That's why we're giving them a 10/10 on the "Most expensive places to sleep" scale!

cup tower was born.

Keep Perfectly Still

The incredible thing about this is that the sleeping friend must be out so hard that he's not even moving, because that cup tower isn't exactly stable. Hence sleepy man earning a 10/10 on the "Sleep like a log" scale.

Smothered With Love

Anyone who has spent time around cats knows that they get up to a lot of naughty antics at night. For some cats, those antics involve harassing their owner, which is what prompted this man to set up a camera.

Just Make it Work

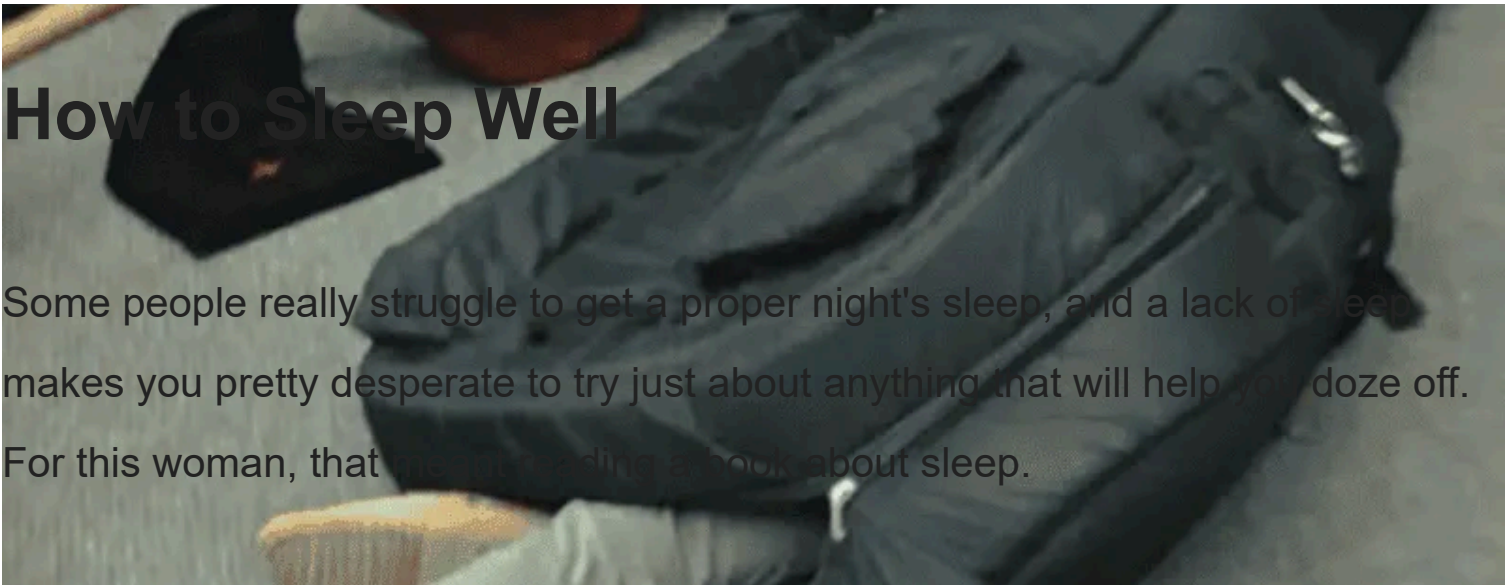

Buskers have a hard life. If you're not sure what a busker is, it's a person who performs in public places, usually in exchange for loads of coins from passing tourists. They often work long, hard hours.

Just Make it Work

This busker was fed up and just needed a little bit of darkness, so they climbed into their instrument case, which earns them an 11/10 on the "Just make it work" scale, because it doesn't get more creative than this.

Stretched Out Snoozes

Sleeping with pets seems like a nice idea, but it often comes with drawbacks. One of them is that our tiny little pets somehow find a way to occupy the majority of space in the bed.

Sweaty and Sleepy

After a long day at the gym or an exercise class like yoga or pilates, we all just want to drop straight into bed and take a nap. That's what this girl did, despite desperately needing a shower.

A photograph of a person sleeping in a bed. They are covered up to their chest with a grey blanket. They are wearing a dark blue long-sleeved shirt and blue patterned pajama bottoms. The bed has a grey and white striped pillow and a grey blanket.

Limbs in Every Direction

All of his limbs are going in different directions in addition to him sleeping face-down on his mattress. That's why he deserves the top spot at 10/10, because there's no way that he's comfortable like that!

Sweaty and Sleepy

She earns a 3/10 on the "That can't be comfortable" scale. After all, based on her clothing, it looks like she just got home from a yoga session - meaning she's obviously used to contorting her body in strange ways, like this photo shows.
